

WEEK TWO

The Voice

Oct. 25 & 26, 2014

Pastor Harry Kuehl

What Jesus was physically to the disciples, the Holy Spirit is to you. He lives within in you, at home in your heart. With the Holy Spirit as your Friend, you need never feel lonely or afraid or helpless again.

STUDY QUESTIONS

1. Name ten famous people whose voice you — and pretty much everybody you know — would instantly recognize.

Why are these voices so recognizable?

2. Take a look at 1 Kings 19:11-13. Who is God speaking to here?

What is this person's current situation?

How does God communicate to him?

Why this way rather another, in your opinion?

3. What did Pastor Harry say about why God whispers?

What does this say about where we need to be to be able to hear from God?

4. Read Acts 10:17-23. What happened to Peter?

What do you think was his reaction to what happened to him?

Why did he trust in what he had heard?

5. Pastor Bill Hybels wrote: "Throughout all of history God has communicated, and he still is at it today. The issue isn't whether or not God is speaking; it's whether we will have ears to hear what he says." How does God speak to us today?

When are you most likely to hear His voice?

6. How do we recognize the Holy Spirit's voice? Make a list of the ways we can know if it's God speaking to us using these verses:

- 2 Timothy 3:16
- John 14:26
- Galatians 5:22-25

Personal Meditation: The Holy Spirit living inside you often will use scripture that you have memorized to teach, encourage, and correct you. How many verses have you have memorized that the Spirit can call to your remembrance? What will you do this week to increase that number?

Memorize John 10:27 — "My sheep listen to my voice; I know them, and they follow me."
